

Meeting minutes
July 29th 2021

Jay Woodbury called the meeting to order at 610pm

Outings Report - John Farley

The Merrill lake outing was a success. There were no issues with crowding and 8 members attended. Fish were caught and a good time was had by all.

Invitation to the Umpqua! The next outing is to Sawyer Rapids on the Umpqua River. Target species: Bass and lots of them. Make your reservations now! Questions? Call Mark Middleton.

September outing: Cowlitz. Target species: Steelhead and Sea Run Cutthroat. Fishmaster: Dennis D. More information will be provided as the event nears.

Financial Report - Dee Reins. The Bob Faust Scholarship fund increased by \$150 last month and the raffle brought in another \$356

Secretary's Report - Dennis DeWitt.

Luella, a 5 year old girl, is battling brain cancer. She is the daughter of a former employee of Jason Osborne and guide Jaimie. A go fund me account has been set up to help offset the costs sure to be incurred by the family. Jay Woodbury motioned that we donate \$100 and was seconded by John Pomplin. The motion carried. A second "pass the hat" effort raised an additional \$220.

If you wish to donate, the link is <https://gofund.me/odcb7d46> and is also on the website on the start page www.salmoncreekflyfishers.com

Bob Faust's memorial service was well attended and gave a fitting tribute to a life well lived. Several members of the club and Project Healing Waters were in attendance.

Guest speakers are needed! If we can work together in asking around there should be no problem scheduling guest speakers. Right now we have speakers for August, September, and November.

If you have anything that you feel should be put on the website, please contact Dennis DeWitt.

Auction and Raffle - John Pomplin

John auctioned off a beautiful fly tying station complete with drawers, thread holders, and tool holders that was donated to the club. It sold for \$110.

Raffle items included a number 2 cape, Royal treatment gift card, fly boxes and other miscellaneous items.

Guest speaker - The Orvis Guide to Bass Fishing was played in lieu of a guest speaker. It covers all of the basics for catching bass on a fly rod and can be found on youtube.

The meeting concluded with John Pomplin conducting the raffle.
