

Meeting minutes
June 24th, 2021

Jay Woodbury called the meeting to order at 630

Dee reins provided a financial report and indicated that 350 dollars were raised last month from auction items

The club received a donation of fly equipment from Ben Dennis to assist funding of the Bob Faust memorial scholarship

John Farley provided a report from the last outing to the crooked river outside of prineville.

John Pomplin will be the next fish master for Merrill lake hex hatch trip on the 15th of July. More information will be provided as the date draws nearer. This is a midweek outing due to the potential for large crowds.

The Taklak lake outing has been cancelled due to parking restrictions and barely passable roads. A replacement outing will be to sawyer rapids on the umpqua river august 12 to 15.

Dennis DeWitt gave a secretary's report. Flyers were distributed regarding Bob Faust's memorial service Saturday July 26th at the Vancouver Church. Details will be posted on the website.

The guest speaker was guide and Portland fly shop employee Jackson Golick who tied two patterns for taking steelhead off the surface. He discussed ways to fish these patterns as he tied. This was a very informative and inspiring talk.

The guest speaker for September will be a representative from the Southwest Washington Fish Enhancement group

The meeting concluded with John Pomplin conducting the raffle.
