1. I accidentally left Vern Jerimica off those that attended list.
2. There was a discussion of those interested in keeping the Rendevous at the Armory going . As of right now there is only four groups involved in the tying demonstrations and the officers who have been running it for yeears are burned out. We need new blood. There will be a meeting on March 10th or about that time at a place and time to be determined. Watch for additional information to come out. IF YOU THINK THAT IT IS SOMETHING WE SHOULD KEEP GOING GET INVOLVED.
3. Sorry that it didn't get in the original minutes and Verns name but I had notes all lover the place
