The Board of Directors met last Thursday. The board accepted the resignation of Treasurer Jim Moore and made a temporary appointment of Dee Reins until the election of Officers in November.

The Board discussed changing the method of requesting funds from the Club. It will be necessary to fill out a request for funds (the form will be available on the Club Website). After filling out the form it will require signatures from two board members to OK release of the funds.

A Spread sheet is being developed to show the budgeted expenditures for the various programs supported by the Club.
